

INTERN CAR IT CONTROLLING (F/M/X).

SHARE YOUR PASSION.

We believe in creating an environment where our interns really can learn by doing during their time with us and where they are given their own areas of responsibilities from the start. That's why our experts treat you as part of the team from day one, encourage you to bring your own ideas to the table.

We offer you an interesting position at the BMW Car IT GmbH, a wholly owned subsidiary of BMW AG and a software company focused on the design and development of innovative software for future BMW Group automobiles and motorbikes. We have two locations in Germany: Munich and Ulm. Our Munich labs envision how software will evolve in automobiles up to 20 years from now, and focus on topics to realise these ideas and concepts. Our labs in Ulm are closely aligned to production software development, bringing solutions to the automobile.
